

## MT. CARMEL.

Mt. Carmel, June 26.—Mr. and Mrs. Horace McAlister and family, and Miss Julia McAlister spent last Sabbath afternoon in Mt. Carmel with Mrs. P. K. Black and Miss Emma McAlister.

Miss Eliza McKellar, who has been visiting her sister, Mrs. J. D. Cade, left for her home in Florence Saturday.

Miss Nell Simpson of Starr, S. C., who has been with her sister, Mrs. Smith Scott, returned to her home last week.

Mr. and Mrs. J. D. Cade, Master J. D. Jr., Miss Julia Cade and Miss E. M. McKellar went up to Walhalla last Monday and returned Wednesday, making the trip in their automobile. They report quite a pleasant trip.

Mr. and Mrs. Norris and little children are spending a while at the home of Mrs. Norris' parents, Mr. and Mrs. S. C. Riley, near Mt. Carmel.

Mrs. P. K. Black, Misses Dora and Florence Black, Mrs. T. B. Frazier and Mr. Fred Black motored to Monterey Thursday evening.

Mrs. James Hester is visiting in Greenwood for a few days.

Mr. Orville Calhoun, of Bordeaux, was a business visitor here Tuesday.

Mrs. James Baskin of Lowndesville, spent several days this week with her sisters, Mrs. Black and Miss Emma McAlister.

The young ladies fancy work club was charmingly entertained by the Misses McElvey Friday afternoon. Quite a large number of young ladies were present to enjoy the afternoon. Delicious cake and cream was served.

Mt. Carmel is badly in need of good rains. We have had several showers, but we need an all day rain. Crops on red land are small.

The many friends of Mr. and Mrs. Ben Fortson will regret to hear of the death of their baby girl, aged 18 months, which occurred Friday night Mrs. Fortson was Miss Mae Covin of Mt. Carmel.

Mr. Frank Stuart of Columbia, was a recent visitor.

We would like to call attention to the very dangerous condition of the bridge over Little River at Calhoun Mills. We hope it will be repaired before some one is hurt or killed.

The ladies of the Missionary Society of the Presbyterian Church served cake and cream on the church grounds Wednesday evening. They realized quite a nice little sum and all present enjoyed the evening.

Mr. Ben Sutherland of Anderson, was in Mt. Carmel last Sabbath with homefolks.

Capt. F. S. Evans of Greenwood, was in town last Tuesday.

Misses Gladys and Eva Tarrant, Mr. Guerdard Tarrant and Mrs. W. A. Scott and little Gladys, motored to Abbeville Tuesday.

Mrs. Bradley Morrah and little children, Hattie and Bradley, left Friday for a visit to Lancaster. Mrs. Morrah will be gone some time to the regret of her friends here.

Cards have been received in Mt. Carmel to the marriage of Miss Frances Mae Stroup to Rev. W. S. Patterson. The marriage will take place at the home of the bride at York.

Much interest in manifested in this marriage as Mr. Patterson was born and reared here and he is a young man of whom Mt. Carmel is justly proud. Part of the honeymoon of the young couple will be spent here.

The Matron's Sewing Club was pleasantly entertained Friday afternoon by Mrs. P. K. Black. Notwithstanding the hot afternoon, quite a number enjoyed Mrs. Black's hospitality. Delicious cakes and cream was served by Misses Dora and Florence Black.

## FACE DISCOLORED—SUFFERED AGONY

### CHARLESTON WOMAN WOULD BECOME UNCONSCIOUS FOR HALF A DAY.

After having been unable to work for four months on account of ill health, during which period she suffered from chills, fever, indigestion and that most repugnant and discomforting of all complaints of belching, which would continue for an hour at a time—Mrs. L. Boylet, well known housewife of No. 2 Blake Street, Charleston, has added her name to the thousands who have found relief in the use of Tanlac.

"I suffered from indigestion and chills and fever," states Mrs. Boylet. "My indigestion caused me terrible pains in my stomach and chest, and I would sometimes belch for an hour at a time. I suffered something terrible at times. It seemed that I could not digest anything that I ate."

"I suffered from extreme headaches and was extremely nervous, jumping at the slightest noise. After eating I would have a pretty full feeling in my stomach and I became very weak. These chills and fever would come on me very suddenly. I would be sitting talking to my friends possibly, and severe pains would start running up my limbs. In a few minutes they would spread to my back and upper body. Then those terrible pains would continue for hours. Chills would set in and I would go to bed. In a short while I would become unconscious, remaining so for nearly half a day. I had these spells about twice a year and have had them for about four years. Sometimes my feet and ankles would swell to double normal size and sometimes a large blister would form on my knees. This would first turn red and burn just exactly like a red-hot iron being pressed to them. In a day or two it would turn into a real blister. When this blister was opened and the water let out it would turn into a very bad sore. I tell you, I suffered terribly. I have not been able to work for four months because of my poor health. Sometimes I would turn black in the face, and have been pronounced dead while in the grip of these spells. These two conditions were gradually killing me. I do not believe that I would have lived very long if I had not got relief when I did."

"I read of some of the wonderful things that Tanlac was doing, and one of these statements was that of a friend whom I have known for more than fifteen years."

"The relief that I received from Tanlac has been wonderful. It has relieved me of my indigestion entirely. My appetite is just too good. I can eat, and crave nearly everything."

"Those headaches I had (they nearly drove me out of my mind at times) have been entirely relieved. I have not had a headache since I started taking Tanlac, and my nervousness is gone. I have not had one of those spells, although I have passed the period when they usually come upon me. I do not believe that I will ever have them again. They have come on me regularly at about the middle of May and they did not come on me this year because I took Tanlac, I know."

"Tanlac is certainly a wonderful medicine, and may God bless it and you. I most surely do recommend it. It has performed a miracle in my cause."

Tanlac, the master medicine, is sold exclusively by P. B. Speed, Abbeville; J. H. Bell & Son, Due West; E. A. Fuller & Co., McCormick; Cooley & Speer, Lowndesville. Price \$1 per bottle straight.—Adv.

# Get Your Palm Beach Suit NOW. Get It Here!

We're showing a fine line of Palm Beach Suits; Kool Cloths, too, and Tropical Worsteds—great values at \$6.50, \$7.50, \$8.50, \$9.00, \$10.00 and on up to \$15.00.

These Suits are entirely different from the ordinary run in that they're made and tailored like Real Clothes. That may sound queer,—but the fact is that most so-called "Palm Beaches" are hastily sewn together by girls, in shirt and overall factories.

Naturally they don't compare,—especially after being laundered—with these; hand-tailored by men experts, as they are, just like the best of woolen suits.

The makers of these Clothes have the reputation of producing the best feather-weight suits in the world. Come and see for yourself. Especially examine the way these clothes are made and finished. All sizes here.
